### **Aaron Anderson hired as IT Manager for the Nebraska Workers' Compensation Court**

The Nebraska Workers' Compensation Court is pleased to announce that Aaron Anderson has accepted the position of Information Technology (IT) Manager. Aaron began his duties as the IT section manager on April 5, 2016.

The IT section is responsible for the computer network, programs, and databases of the court. The section develops and maintains the court's desktop and Internet systems, develops computer programs and applications, coordinates information technology activities with the Supreme Court, state agencies, and vendors, and assists other court sections in meeting their goals through the use of technology.

Prior to joining the court, Aaron served four years as IT Systems Manager with Nebraska Educational Telecommunications (NET) and 13 years as Senior IT Administrator for Lincoln Electric System.

Aaron has a BS in Business Administration, with an emphasis on Management Information Systems (MIS), from the University of Nebraska – Lincoln.
