### **NWCC to implement a 10-year limit on its web-based Decisions & Orders database search**

The Nebraska Workers' Compensation Court will be implementing a 10-year limit on its web-based Decisions & Orders database search engine.

This web-based search engine (<http://dtsearch.wcc.ne.gov/>) allows the public to search the decisions and orders of the court. The searchable database is updated nightly as new decisions and orders are issued by the court. The decision to implement a 10-year search limit was driven by the need to reduce storage space utilization and costs.

For more information regarding workers' compensation in Nebraska, please see the Nebraska Workers' Compensation Court's web site at <http://www.wcc.ne.gov>, or call the court's information line at 1-800-599-5155 or 402-471-6468.
